## **The 2010 Banquet** **Zydeco's was a great selection**

### **Good Food and Fun Made This Year's Banquet a Big Success**

The 23 Annual Banquet kicked off with opening remarks and a moment a silence in the memory of Frank Elder. Members were asked to keep Richie Adema's wife in their thoughts as she recovers from a recent aneurism.

This year the banquet was held at Zydeco's in Luling. Over forty participants dined on seafood platters, catfish with crawfish etoufee, or flank steak. I might add the desserts were outstanding as well. But it was the mood and friends in the room that made this year special. After dinner Ray reflected on 2010 and thanked the previous Officers and Board Members for their hard work.

Jeff Caldwell, the incoming President took a few minutes and shared his vision and goals for 2011. Jeff talked about improving communications, increasing activities at the field, and providing avenues for friendly competition. A video of Ray's and Jeff's comments will be available at the February meeting.

The Awards Ceremony was a lot of fun and was started with the presentation of Certificates of Appreciation to volunteers and Junior Members who worked to make our special events successful. Receiving awards were **Karen Edwards, Susan Clay, Cresside Caldwell, Rooney Caldwell, and Jonathan Morton.**

Members were also recognized for their hard work with a COA, they included, **Freddie Sanchez, Gary Morton, Jeff Caldwell, Marshall Candies, Carl Cantrelle Sr., Clarence Edwards Jr., Phil Page, Richard Adema, Jack Marie, Todd Mayer, James McGee, Willis Potts, Jeff Raiford, and John Violette.**

Ray added that these are the people who keep the club and field moving forward. They have done everything from updating the wind sock to adding 100 feet of runway.

As the evening progressed Ray presented our Landlord, [Leslie Rodrigue](#) with a Gift Certificate for his loyalty and dedication toward the Club. Leslie confirmed his commitment to CCRCC and thanked us for being great tenants.

Following the presentation to Leslie, Gary Morton, last year recipient of the “Where Am I” Award, presented it to [Todd Mayer](#). Gary noted in his presentation that he considered Todd one of the best flyers in the club and that he and many others had learned from Todd’s experience. Todd did an outstanding job providing the participants with an account of the events that lead to him receiving the award.

Ray and Freddie complete the award ceremony by presenting Steve Williams, who was not present, with a plaque for his service and leadership over the past two years as Club President. And, finally this year “Doctor Bob Lien Memorial Trophy” went to [Gary Morton](#). Ray presented the Trophy to Gary for his dedication to the Club and the Hobby.
